JANUARY 2026

Dear brothers and sisters,

“The harvest is plentiful, but the laborers are few; therefore pray earnestly to the Lord of the harvest to send out laborers into his harvest.” Matthew 9:37-8

As we mark my third New Year as Presiding Priest at Holy Trinity, I am humbled to reflect on everything that has taken place in this short period of time, because I believe I have had the privilege of experiencing a miracle. The first miracle is the rebirth of Holy Trinity as a community: when I got here, this parish was small and struggling, and perhaps even showed signs of terminal decline. However, in a little over two years our church saw explosive growth, adding not only a number of new members, but also increasing significantly in terms of activity and vitality among established members. I see this as a miracle, because neither I nor the parish council undertook any sort of campaign or strategy to bring in new members to our church — people just started showing up, without any special effort on our part. What is this, if not the “finger of God” (Luke 11:20)? And so far, this trend has continued to remain steady, or has perhaps even accelerated.

In fact, 2025 saw even greater growth than 2024. Average Sunday attendance increased by 40%, bringing us to an 82% increase in attendance over two years. Concurrently, the number of steward-families has increased from 79 to 86, but this number actually rises to 92 if we include recurrent donors who have not turned in pledge cards (remember to fill out your pledge cards, people!). This exceeds the goal of 90 stewards which I had set for 2025. But perhaps the most remarkable statistic is the number of Baptisms and Chrismations we celebrated the past year. In 2025 we welcomed 26 people into the Orthodox Church, which is more than the past 6 years combined. If we add the years 2024 and 2025, then we received 40 new Orthodox Christians, which is *more than the previous 16 years at Holy Trinity combined*. Can we call this anything other than a miracle?

But while this rapid growth is a tremendous blessing, it also creates unique challenges. Being the only priest for this parish, I find that I am increasingly stretched thin, and that I often cannot give the same quality time and attention to individual people that I did earlier in my ministry. This could develop into a serious problem, because these sorts of relationships are the foundation of our life as a community; if they suffer, our community will suffer as a whole. Furthermore, the big increase in Sunday attendance has overwhelmed some of our core ministries, most notably Coffee Hour (sponsored by Philoptochos) and Sunday School. We have

tried to ameliorate these issues with increased volunteer participation, but have met with limited success. Our current rate of growth exceeds our ability to manage it, and it is not slowing down.

Jesus repeatedly reminds us that we will be judged based on how we used the gifts given to us: “Everyone to whom much was given, of him much will be required” (Luke 12:48). There can be no doubt at this point that we have been given much, now it is incumbent on us to give the Lord what He requires of us. He has given us a church full of people, now it is our responsibility to capitalize on this momentum by increasing engagement and activity for all members of our community. We need greater organization and opportunities for participation for the youth as well as the elderly, for women and men, for spiritual and secular activities. We will try to meet these goals on a volunteer basis, but if growth continues as it has, it may be time to add another (part-time) staff member to our church. **Therefore, I ask all members of Holy Trinity to increase their stewardship commitment for the year 2026, and to get involved as much as possible with the various events and activities in the life of our community.** Our church will not be small for much longer, and we need to look to the future. Glory to God for His great mercy.

Wishing you a happy New Year,

Religious Education

Dear Brothers and Sisters in Christ:

We wish all our parishioners a joyful Theophany and many blessings for the new year!

Thanks to Presvytera Denisa, Demetria Greenwood and all who helped make our Christmas pageant a success (especially Santa and Mrs. Claus)!

We have more children attending education classes than we have had in years! The middle and senior high grades meet in the conference room with elementary grades in classrooms in the fellowship hall. Unfortunately, we do not have enough teachers to do the job. Our already thin ranks are depleted as one of our elementary teachers is moving away and we do not have any substitutes. A Director is also needed.

Please, if you are able, help us prepare our children in understanding Christ and our Orthodox Theology.

Please volunteer so our younger students can get the basics for their lifelong religious education. Contact Father Theodore, Diane Simmons or Fred Gianakouros if you are willing to help.

In His Service,
Fred Gianakouros

Class begins again on the 11th of January 2026.

Greek School

"The Church has been offering free, weekly online lessons in Modern Greek for the past few years. There are currently four groups of students, from elementary school age to senior citizens, studying at beginning to advanced beginner levels. Here are some of the student comments we received recently:

Learning Greek has been so fun! I feel like a child who's learning to read. While decoding words I realize I knew many of the words all along but now know how it is spelled!! Georgia is a great teacher who offers encouragement and guidance at an appropriate pace

I am very excited and feel blessed to have the opportunity to participate in the Adult beginning Greek classes. Having married into a Greek family, many things in the class are familiar, many things are new, while many things are being well explained and now make sense. My only regret is this opportunity was not provided earlier.

I have enjoyed beginner Greek language class. Our teacher, Georgia is patient and kind. All of my classmates are fun and encouraging. I look forward to class every week!

Registration for the classes is held each fall, and will be announced in the Church bulletins.

Feeding the Hungry – TLOT

My words cannot express how grateful I am to everyone who gives their precious time to help feed our valley's less fortunate.

From monetary donations, food preparation, cleaning up, transporting meals and serving the hungry.

Everyone does a wonderful job, and it is truly appreciated!

In January on (date to be announced) the menu will consist of chili beans and cornbread!

Looking forward to seeing everyone!!!!

Wishing everyone A Very Blessed Upcoming New Year!

Parish Council News

Dear Holy Trinity Family and Friends,

As we welcome the dawn of the new year, we give thanks to our Lord for His abundant blessings and for guiding our parish family through the past year. January is a time of renewal, not only in our daily lives but also in our spiritual journey. With the Feast of Theophany, we are reminded of Christ's baptism and the sanctification of all creation, a powerful symbol of new beginnings.

In November, our General Assembly approved several important projects that will enhance and strengthen the security of our parish. I would like to share a brief update on the progress of these initiatives:

- **Exterior Lighting:** We are updating our exterior lighting to include dusk-to-dawn fixtures, along with motion-sensing lights in key areas. The fixtures have been ordered, and an electrical contractor has been selected to begin installation. We are also coordinating with APCO to update the lighting they maintain on the premises. Work is expected to begin in mid-January.
- **Camera System:** Our current system has several blind spots, and we are upgrading to high-resolution cameras that will provide full coverage of the church exterior. These cameras will include recording capabilities for review if needed. Quotations are expected in early January, and installation will follow soon after.
- **Doors and Locks:** The existing locks are dated, and replacement keys have become costly. We are reviewing options to install electronic locks on three of the main doors, which would integrate with the security system to disarm upon entry. In addition, we are

working with a contractor to replace the locking mechanism on the main sanctuary doors, which can no longer be repaired. As part of this effort, all doors will be re-keyed to ensure consistency and security.

These projects reflect our commitment to safeguarding our parish family and facilities. I look forward to sharing further updates as the work progresses in the months ahead. May 2026 be filled with faith, fellowship, and the joy of living out the Gospel together. Let us continue to walk in unity, guided by the light of Christ and the traditions of our Holy Orthodox Church.

In Christ,
Matthew Mandros
Parish Council President

Philoptochos News

JANUARY NEWSLETTER

Happy New Year!

I invite everyone (men and women) to join or renew your membership to the Greek Orthodox Ladies Philoptochos Society-Holy Trinity Chapter. For the first time in history, we had several gentlemen join our chapter as non-voting members. The "Philoptochos Society" is the largest women's philanthropic organization in the country, dedicated to helping the poor, sick, elderly, and victims of disaster, as well as promoting faith, fellowship, and community service through various local and national charitable projects, guided by Greek Orthodox traditions. Representatives of our chapter will be accepting membership dues of \$30 at our table in the fellowship hall beginning January 4th. Our first general business meeting will be held Sunday January 25 after coffee hour. Sunday January 11th, we celebrate the blessing of the *Vasilopita*. The Greek word Vasilopita is directly translated as "Sweet Bread of Basil". It symbolizes the hope that the New Year will be filled with the sweetness of life, liberty, health, and happiness for all who participate in the Vasilopita Observance. All proceeds from our celebration will be donated to St. Basil Academy for at-risk youth.

Our *OPA! For Love Valentine's Dinner and Fundraiser* will be held on February 14, 2026, and we are so excited to bring our community together for a joyful evening-all in support of our philanthropic mission.

To make this event a success, we need everyone's support in whatever way you are able:

- Purchase tickets or host a table. Invite your family, friends, neighbors and coworkers.
- Volunteer your time before, during or after the event.

Greek Orthodox Ladies'

- Become a sponsor by making a financial commitment. The more we can cover up front, the more proceeds will go directly toward our charitable endeavors.

Every role matters, and together we can create a memorable and meaningful fundraising celebration.

In closing, I would like to thank two very hard-working, dedicated members of our chapter, Della Ann Bryant, for coordinating the feeding participants of The Least of These Ministries this past Thanksgiving and Christmas and Frances Simopoulos, for her support and coordination of our Pack-A-Snack Program.

Thank you all for your dedication and love for the work of Philoptochos.

Pray for Peace

PACK-A-SNACK SERVICE PROJECT

On behalf of Philoptochos, thank you to everyone in our community who donated non-perishable snacks or contributed financially to our Pack-a-Snack service project. Because of your generosity, we were able to assemble 71 snack bags for children in need. Your continued support of our partnership with Roundhill Elementary has been truly inspiring, and once again the faculty and staff were deeply touched by the kindness shown.

Thank you to Angela Flegas, Maria Stamus, Melanie Mandros and Pete Simopoulos for helping pack the bags. This project remains a vital source of support for underprivileged children during extended school breaks.

With sincere gratitude,

Frances Simopoulos
